

DevCon26 Sponsorship Packages

19 December 2026 | Accra Digital Centre, Ghana

Keynote speaker: Dr. Patrick Awuah Jr. (founder of Ashesi) (Tentative)

DevCongress 2026 brings together developers, engineers, students, founders, product leaders, designers, cybersecurity professionals, engineering managers, recruiters, and technology professionals for a day of learning, building, connecting, and discovering opportunities.

With **700 attendees expected**, sponsors can connect directly with Ghana's growing technology ecosystem through brand visibility, community engagement, talent access, product discovery, and meaningful participation in the event.

Title Partner

GHS 70,000+

A Curated Strategic Partnership

For organizations looking to make a significant strategic investment in DevCongress and play a defining role in DevCon 26.

The **Title Partner** opportunity is customized around the organization's objectives, investment level, audience and desired community impact.

Featured Speaker Spotlight

- **15-minute Speaker Spotlight immediately following the keynote**
- Prime main-stage positioning
- Opportunity to share an industry perspective, initiative, product or relevant insight
- Content subject to DevCongress approval

Potential opportunities may include:

- Title/Presenting Partner recognition
- Major brand integration across DevCon 26
- Category exclusivity
- Premium or exclusive exhibition and activation space
- Major stage presence
- Keynote or featured speaking opportunity
- Dedicated workshops or sessions
- Recruitment and talent engagement
- Community activations
- Enhanced pre-, during- and post-event visibility
- Custom attendee experiences
- Bespoke branding opportunities
- Additional conference passes
- Other mutually agreed partnership opportunities

Title Partnerships are customized and available upon discussion with the DevCongress team.

Additional Sponsorship Opportunities

Organizations may also choose to support a specific aspect of the DevCon 26 experience through standalone sponsorship.

Available Opportunities

- **Workshop Partner**
- **Networking Partner**
- **Product Demo Partner**
- **Recruitment Partner**
- **Student & Community Partner**
- **Swag Partner**
- **Refreshment Partner**
- **Photography & Videography Partner**
- **Event Experience Partner**
- **In-Kind Partner**

We prioritize **cash sponsorships**, while selected in-kind partnerships may be considered where the contribution directly supports the attendee experience or event operations.

Custom Partnership

Let's Build Something Meaningful Together.

If none of the standard packages align with your organization's objectives, we're open to creating a **custom partnership**.

Whether your goal is talent engagement, product awareness, employer branding, community impact, innovation, or a combination of these, we can work together to develop a partnership that creates meaningful value for both your organization and the DevCongress community.

Let's create a partnership that goes beyond visibility and contributes to the next generation of technology in Ghana.
